## How to Play:

Can be played with 2-4 players.

Each Player Takes one colored popsicle stick, and 3 clothespins to construct their fence.

Clip all the turkeys around the top of the wooden box, and place it in the middle of the playing area--this is the turkey pen, or "Home."

Each player takes turns rolling the die, and following the directions on the rolling sheet.

When a turkey is won by the player, they choose a turkey from the middle turkey pen (or another player, if a 3 is rolled), and clip it to their fence.

Players continue rolling, taking, stealing, and removing turkeys until one player gets 6 turkeys on their fence--that player wins!
